MOTIVATION STATEMENT QUESTIONS?

If you're struggling to understand how to write your statement, we encourage you to take a read through [this online resource](#).

VISA / FUNDING APPLICANTS - ENROLMENT FEE PAYMENT

Your place on the course can be confirmed only after we receive the enrolment fee payment. We advise people who are applying for a visa or for funding, to refrain from paying the enrolment fee until they are confident their other application will be successful.

This creates a vicious circle of sorts; we are aware of this. We notify applicants in this situation when the course they are applying for is reaching capacity. This gives them a chance to decide if they want to take a risk and pay the enrolment fee before securing their visa / funding. If you are told by the embassy you must have Unconditional Acceptance, then you will have to pay the enrolment fee.
